

SLOAN®

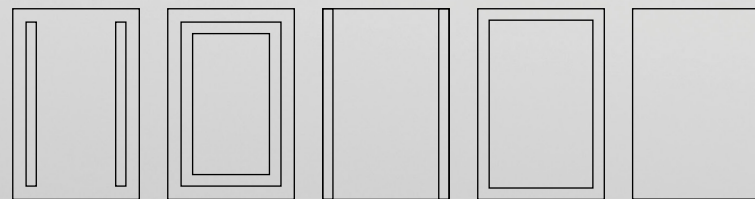

Sloan® Mirrors

The perfect reflection of your design.

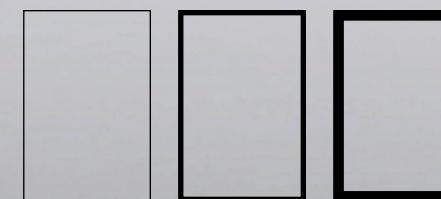

Lights

Turn up the lights on your restroom design with five LED-integrated mirror styles.

Looks

Add the finishing touch to your restroom with three frame styles in three finish options.

Sloan® LED Mirrors

Brighten & Beautify

Illuminate your restrooms with Sloan's LED mirrors, designed for those who seek a blend of style and functionality. Featuring 6000K cool light for a clear, daylight-like reflection, our mirrors ensure a flawless visual experience. Energy efficiency is at the heart of our design, providing sustainable lighting solutions that are as kind to the environment as they are to your operational costs. With easy installation options and eligibility for LEED credits, Sloan LED mirrors are the perfect addition to brighten and beautify any space.

Features and benefits

6000K cool light with an integrated 12-volt driver ensures consistent brightness.

Energy-saving LED lights with options for hardwired or plug-in power sources.

1/4" mirror with polished edges, guaranteed against silver spoilage for 15 years.

Includes an easy-mount steel base and 18-gauge stainless steel hangers for quick installation.

Available in a versatile 24" x 36" size, perfect for any space.

LEED-eligible, supporting sustainability in design (LEED MR c4, LEED EQ c4.2).

Sloan® ML 4 Inset LED Mirror with SloanStone® Quartz QSGR-81000 Sink with angled stainless steel enclosure in SloanStone Quartz Coast Carrara with with Optima® EAF-275-ISM Faucet and Sloan ESD-2000 Soap Dispenser in Polished Chrome.

Five styles

Choose from five innovative styles that bring radiance to your design.

Bright LED

Sloan® LED mirrors produce a clean and cool glow that energizes your space with daytime brightness.
